

Dear colleagues,

the patient relies on your cooperation. For diagnosis and therapy of their malignant disease, they need the preparation and controlled shipping of their tumour material extracted in vital condition and after that stored in cryoconservation.

If you have questions or difficulties, please contact the IOZK logistics department.

E-Mail: [Logistics@iozk-lab.de](mailto:Logistics@iozk-lab.de) Tel: **+49 221 337736 429**

Thank you very much for your collaboration!
